The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Riviera Estates is a community that is situated north of Sunset Boulevard, east of Will Rogers State Park and west of Sullivan Canyon. It is comprised of portions of the following streets: Amalfi Drive, Capri Drive, Casale Road, D'Este Drive, Lucca Drive, Monaco Drive, Romany Drive, Sam Remo Drive and Sorrento Drive. The following Special Filming Conditions have been established to clarify use of property owned and maintained by the Riviera Estates Association, and to mitigate other concerns of local residents**.**

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

The contact person for the association is Jeaneen Fabbro, Administrative Coordinator, or Jennie Chesley, Assistant Administrative Coordinator, Riviera Estates, P.O. Box 1585, Pacific Palisades, CA 90272; office number (310) 454-4913.

- **There are a number of medians and islands in the area which are owned and maintained by the Riviera Estates Association.** *Production companies may not use these medians and/or islands in any manner without permission of the Riviera Estates Association. This includes, but is not limited to: filming activities, feeding or catering, positioning or storing equipment, lighting, cabling, cast and/or crew standing, walking or lounging, etc.*

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
